THEN THEY SHALL FAST

Unlocking the Power of Biblical Fasting

Dr. John S. Carmichael

THEN THEY SHALL FAST

Jesus spoke these words many years ago (Matthew 9:15.) He was being questioned about why His disciples were not fasting, while others were fasting. In that time period, fasting was a way of life. It was a normal practice to fast. Anyone who was religious or just wanted to draw closer to God fasted. Therefore, it surprised many people that Jesus would not have His disciples to fast.

He answered their questioning by saying that they would not be fasting while He was with them. Yet, He said the time would come when He would be taken from them and "then they shall fast." We are in that time that Jesus expects us to fast.

WHAT IS BIBLICAL FASTING?

Biblical fasting is when a person, in order to enhance their spiritual lives, eliminates or limits the consumption of food for a certain period of time.

WHY FAST?

There are many reasons people fast. Here are five important reasons to fast:

1. Repentance -

Fasting was used as an outward sign of repentance. Many cities or individuals would fast when turning from sin. Joel 2:12

2. Obedience -

Jesus said that when He left for heaven, His disciples would fast. He expects His church to fast. Matthew 6:16-18; 9:15

3. Power -

Textus Receptus/Byzantine Text, have Jesus saying that prayer and fasting is required to exercise certain demonic attacks. Matthew 17:21 & Mark 9:29

4. Step into the Call of God-

Jesus' fasts (Matt 4, Lk4) was before He started public ministry. Paul was sent out into ministry after a time of fasting (Acts 13:1-3).

5. Protection -

Ezra fasted for protection of his family and possessions. Ezra 8:21-23

HOW TO FAST?

In past cultures fasting was a part of everyday life. The methods concerning fasting were passed down to those of that culture. In today's society, this is not the case. In fact most people in the civilized world know nothing about fasting. Here are some things to keep in mind about fasting:

1. Your physical condition needs to be considered.

The type of fast and the length of a fast should be determined by your current physical condition. This is especially true if you have an illness or are taking medication. Always consult your physician.

2. Use Wisdom.

If you are ill and need medication, don't start a 21-day "complete" fast. If your job is physically demanding, a 40-day "complete" fast might not be the best thing for you. In certain cases, shorten your fast or choose another type of fast.

3. Drink Water.

Water will help your body eliminate toxins more quickly. If possible, drink only un-chlorinated water. You will need to drink at least a gallon per day.

4. Marital relations.

According to I Corinthians 7:5 KJV, marital relations should not be withheld, unless the other spouse agrees and only for a time of prayer and fasting.

5. Never complain.

It is important to maintain an attitude of praise during the time of fasting. Be full of joy because you are preparing yourself to receive great blessings from God.

6. Hygiene.

As your body is eliminating toxins, maintain good hygiene. Body odor and bad breath are caused by the elimination of toxins, although perfectly normal on a fast, can be offensive to others. Paying extra attention to this will save you and others the embarrassment of dealing with this during the fast.

7. Pray.

Fasting is only spiritually effective when coupled with prayer. While Jesus was explaining why His disciples could not heal a child, He said that sometimes they would need to pray and fast. It has been said that fasting without praying is just going hungry.

8. Be kind.

When a person fasts they become more irritable. It becomes easy to say things or react to things differently due to fasting. Keep a kind, gentle spirit about you. Remember, faith works by love. Galatians 5:6

9. Headaches and rundown feeling are signs the fast is working.

During a time of fasting the body purifies itself and feeds off impurities and pollutants in your body. After approximately three days the headaches will begin to cease. After approximately five days hunger will also ease.

10. The victory sometimes comes after the fast.

When Jesus was fasting He was tempted by the devil. The power of the Holy Spirit came upon Christ after the fast. Luke 4:13-14
